The Retirement Lifestyle You Deserve

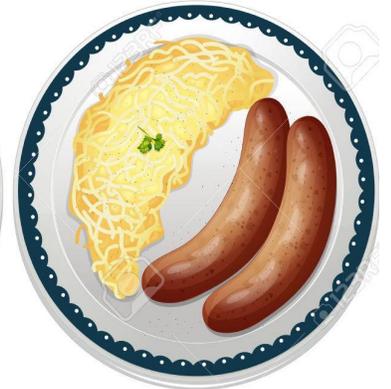

May 2020

Room Service Meal Update

Starting Monday, May 4th, we will begin offering entree choices for the supper meal. Breakfast and lunch will remain the same for now. The servers will begin phoning all residents after lunch service to ask which entree they wish to receive for supper that night. The weekly

distributed paper menu will have the two supper entree options per day on it for you to consider. Bon Appetit!

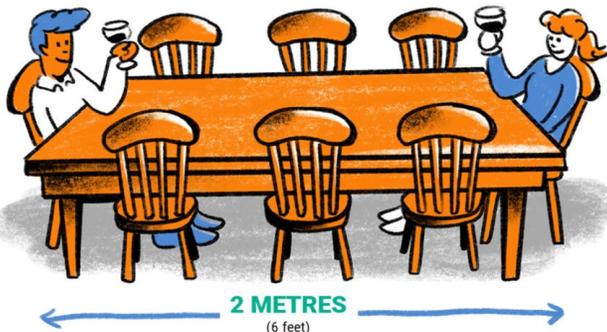

Social Distancing

Must be Maintained at ALL Times

In the midst of the ongoing COVID-19 pandemic, we're all attempting to adapt to new routine and schedules as we adjust to our new social-distancing lifestyle. Social-distancing has emerged as an effective measure to restrain the spread of infections.

We ask all residents and staff to maintain the 6 feet (2 metre) distance between themselves.

This applies if you are inside or outside, walking or just sitting and enjoying the sunshine. If you will be closer than 6 feet, please ensure you are wearing a face mask. Please refrain from gathering in groups. Sylvia Barr has sewn masks and we have enough for everyone. They are available at no charge at the front desk. Please ask for yours today!

ROTARY VILLAS GARDEN CLUB

If you haven't been up to the Billiard's Lounge in a while, you will be surprised at the wonderful selection of seedlings and how quickly they are growing. Spring is definitely on it's way. It won't be long before we will see the buds on the trees. Tulips are already poking their heads out of the ground.

Our Wonderful Staff

A BIG BIG thank you to Rotary Villas staff who are doing everything to make this difficult period easier to manage and are still spreading fun and laughter.
