

# In-Suite Visitation

Residents of Rotary Villas may identify two people to visit in their suite. Please indicate your two choices to the Front Reception Desk. The following requirements must be met:

- Visitor(s) must pass the COVID-19 screening process.
- Visitor(s) must wear a mask AT ALL TIMES while in the facility (and therefore do not bring in food/drink for self consumption).
- Masks must be worn correctly (over the mouth and nose).
- Visitor(s) travel straight to the resident suite without loitering in any common areas or other resident suites, and avoids touching surfaces in the facility enroute to the resident's suite.
- Physical distancing (6 feet/2 meters) must be maintained during the visit in the resident's suite.

Visitors will be required to sign in and out of each visit and to bring and wear a non-medical mask for the entire duration of the visit. Hand hygiene (alcohol hand sanitizer) must be used upon entrance to the facility. Visiting hours are between the hours of 10am - 8pm, 7 days a week. Restrictions still apply to visitors who have travelled outside of Manitoba within the past 14 days (excluding travel to Western Canada, the Territories or Ontario west of Terrace Bay).

Rotary Villas reserves the right to cancel all visits in the case of a confirmed/potential COVID-19 outbreak in the facility. Visits may also be suspended if designated visitors do not comply with these measures.
