

# Remembrance Day Events

As you know, Remembrance Day will look different this year as we navigate through the Covid restrictions and protocols. This year has been nothing but a creative challenge to figure out how to make things happen within the guidelines we are given.

November 9-13 will be Veterans Week at Rotary Villas, highlighting something special each day.

**Monday**, November 9, we invite you to take time to look at the displays we have prepared and set up. These displays will be in the hallway by the dining room, by the mail boxes, and in the Common Room. Please keep in mind the 6-foot distancing rule as you enjoy what has been done for these displays.

**Tuesday**, November 10, at 2:00 p.m., there will be a Remembrance Day Tribute with Grace in the MPR. There will be a limit of how many people can attend due to limited space.

**Wednesday**, November 11, is Remembrance Day. There will be no recreation staff. We hope you tune in to a nice Remembrance Day program offered on TV.

**Thursday**, November 12, please join Joyce in the Common Room at 7:00 p.m. to listen to war time songs by Glenn Miller.

**Friday**, November 13, we will gather at 2:00 p.m. in the Common Room to hear some stories of Veterans from Canada.

## Your Safety is Our Priority

As the COVID-19 pandemic continues on it has slowly become our new “normal”. At Rotary Villas your safety and the safety of our staff is of the utmost importance.

Our COVID protocols include:

- Screening of all visitors to the building, including staff.
- Screening of all residents of the building, at a minimum of weekly.
- Required mask use (over the nose, mouth and chin) for all staff and visitors while inside Rotary Villas.
- Encouraging residents to wear a mask in community areas.
- Recommending residents to leave our community for essential reasons only. Please note: this recommendation is for all Manitobans over the age of 65 or those with chronic health conditions from Dr. Roussin, not just our community.
- Increased screening and modified isolation procedures for any resident who has left our community for social/non-essential reasons.
- Isolation procedures for a variety of high risk situations including, but not limited to, residents awaiting test results, residents with respiratory symptoms, Covid contacts or as instructed by Public Health.
- Increased cleaning & disinfection procedures.
- Visitation as per Provincial Protocol - Long-Term Care Resident Visitation principals.

Welcome  
HOME!

As winter approaches we would like to give a warm welcome back to John & Betty Naylen from their farm near Virden. We hope it was a fantastic harvest for you but now it is time to relax! There has been many of us here that have missed you and we wish you a smooth transition back to Rotary Villas where you can maintain the carefree lifestyle you desire.
