

ROTARY
VILLAS

AT CROCUS GARDENS

The Retirement Lifestyle You Deserve

February 2021

Valentine's Day

Pre-order a mini bottle of Henkell champagne to enjoy with your supper on February 14!

Visit reception to pre-order and pay (\$6/bottle) for your bottle. It will

be delivered with your meal.

At the time of printing the newsletter, the Valentine's Day menu was still TBD.

Thank you to Norma Bristol for adding a touch of spring around the building and nurturing these for everyone to watch grow and enjoy!

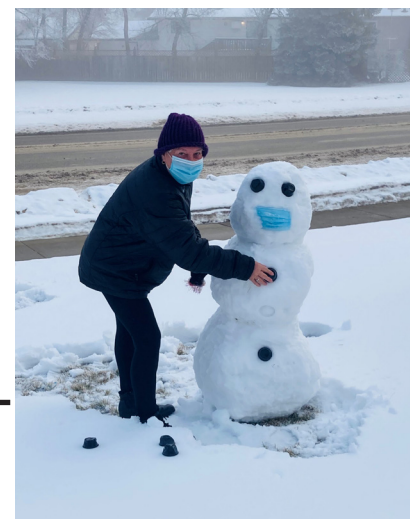

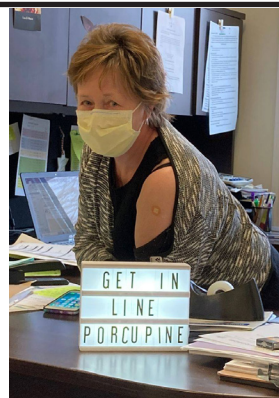

Rotary Villas Referral Program

If you know someone who may be interested in living at Rotary Villas, you could receive a referral reward. Let Tanis know their name(s) before they contact us. Then, if they move into Rotary Villas, the referral reward of \$1000 will be yours!

COVID-19 Vaccination Update

We have not received a date for when the vaccine will be available to Rotary Villas' residents yet. We will make an announcement as soon as we hear something.

Be careful out there on the sidewalks! With the warm to cold temperatures we've experienced lately, there are lots of icy surfaces out there.

Gingersnips Hair Salon Reopens

With the recent adjustments to the Pandemic Response Plan, the hair salon located in our commercial hallway is allowed to re-open. Please have patience with them as they reschedule/book appointments. To inquire about an appointment, contact Jackee and Danni by dialling extension 199 or 204-725-7199.

Meet Sully

Our shuttle driver, Rick, welcomed a new member to the family last month. Sully is an adorable black Pug.

Spring Menu Update

Chef Jason is working on the new spring menu. The tentative start date is April.

We look forward to dining together again hopefully sooner than later.

Residents' Special Days

This Month

BIRTHDAYS

- Feb. 1 - Louise Verbo
- Feb. 20 - Alta Dyck
- Feb. 27 - Frank Rabe
