Welcome HOME!

Please help me welcome our newest residents Mr. Edgar and Mrs. Ellen Penner joining us from the Virden area. If you see them out and about be sure to introduce yourself. Edgar is quite the hockey fan and Ellen enjoys building puzzles and visiting with family.

In addition, we have Mr. Gordon Brown joining us in suite 308 at the end of March from Victoria Landing. He is extremely excited to meet all the fine folks that live here at Rotary Villas and enjoy the relaxing lifestyle that we provide.

Thanks to the Rotary Club and Rotary Villas residents, Norma Bristol, Audrey Harburn and Elaine Rust, 100 books have been added to the library. The Library has been well used over the last several months and we are pleased to have the addition of these new books. Library books are on loan from the Rotary Club and when removed from Rotary Villas go into the Rotary Club Book Sale. Books are chosen for Rotary Villas based on past reading and resident requests for preferred authors.

Also there have been about 50 large print books placed in the Library thanks to a donation from the Brandon Library.

New Spring Menu

The new Spring / Summer Menu will start on Monday April 5th. Chef Jason has been testing recipes and has come up with a great new menu. There are still your favorites and some great new recipes. Also a resident's choice lunch and supper .

Bon Appétit

Joyce Returns!!!

It may not be a return to normal pre-covid life, but Joyce is coming back to work and we are all so very exciting to have her Rotary Villas again.

Joyce's first day back will be April 7th.
