ALZHEIMER'S POKER DERBY MAY 19, 2021

Another Successful Rotary Villas Alzheimer's
Poker Derby - "Walk your way in May".

May 19th was the day we set for our Alzheimer's walk, and although it rained in the morning, the weather was sunny but cool for our walk. Eighteen residents participated in the walk, and fun was had by all. The sidewalk was adorned with fun sayings and pictures with sidewalk chalk, thanks to some of the management team and culinary staff! Together we raised an impressive \$745.00 through donations before, during and after the walk. Thank you to all who donated and walked for the cause!

ROTARY VILLAS GETS BEHIND THE TABS FOR WHEELCHAIRS

Save Your Tabs! This young lady needs a new wheelchair
and we can help!

There will be a collection box by the mail boxes so you can drop off the tabs. Wellness will collect and deliver them to the main collection site every couple of months. Let's work together to help make this happen

Catie is 7 years old and is in Grade One at Earl Oxform School in Brandon. At 10 months old, she was diagnosed with hemiplegia, which is a type of cerebral palsy. She was later re-diagnosed with spastic quadriplegia. This is a condition where all four of her limbs were affected to some degree. Catie is so excited to be the 2022 recipient of a power wheelchair that will provide her with the ease of independence she desires and deserves!

SAYING GOODBYE IS NEVER EASY

As you know I have decided to retire. My last working day will be June 10, 2021.

It has been an absolute pleasure working at Rotary Villas these past six years.

This is definitely bittersweet. I am excited to retire, but I will greatly miss seeing each of you. I will never forget all the fun times we have had here.

I have signed up to volunteer, so you will definitely see me around. Stay safe everybody!
