Library (2nd floor) - L
Workshop (2nd floor) - W
Billiards Lounge - BL
Bar - B
Private Dining Room - PDR
Fitness Centre - FC
Shuttle Bus - SB

A Note from The Wellness Department

Can you believe the Autumn we have had?! Let's try and enjoy the beautiful colours before the snow arrives.

Just a reminder, we still have Funny Money activities throughout the month of November. Come on out and join us for some fun!

We hope you can join us for our Remembrance Day Service on Monday, November 10, in the Dining Room.

We are excited for November's Fun Fridays. We have mismatch day, twins' day (so find a partner and dress alike), pajama day and especially our 1950's day on November 28th, when we have our first Sock Hop!

The holiday season is approaching fast and if you haven't started your shopping yet don't worry, we have you covered! We will be hosting again our annual in-house Holiday Shopping Day in the multi-purpose room on November 21. Come down and browse from 1:00pm to 4:00 pm and find that special holiday gift.

Come get in the holiday spirit at the end of November as we decorate the Christmas tree in both the east and west common room and the dining room.

And finally, cold & flu season is upon us. In order to keep our community safe we ask, if you have any cold or flu symptoms such as fever, chills, cough, sore throat, hoarse voice, loss of taste or smell, or vomiting/diarrhea that lasts more than 24 hours, please stay in your suite and we will gladly deliver room service while you get well. If you prefer a To-Go Meal, please wear a mask to pick up your meal. Masks are available at Reception if needed. Anyone with cold or flu symptoms should isolate in their suite for 7 days from the start of symptoms and should be asymptomatic for 24 hours prior to returning to the dining room for meals. Absence of cough is not required for those who have a chronic cough.

Erin Gallinger

Wellness Coordinator

Elvis Will Be in the Building!

Saturday, November 29
2:00 p.m.

Compliments & Concerns

Please submit any compliments and concerns to management on our Compliments & Concerns Form. These can be found on the bulletin board in the Common Room. Submit the completed form to Reception.

Power Outage: What Works and What Doesn't?

Now that we've experienced a recent unexpected power outage and are anticipating the arrival of winter, we've had a few questions about what works and what doesn't during a power outage.

In the case of an outage, our generator will automatically start up. Elevators, suite phone (may take a few minutes to reset), cold water, toilets, and minimal lighting throughout the hallways and common areas will operate on the generator. However, suite lighting and outlets will not work while the generator is powering the building. Residents on continuous oxygen should be prepared to switch from their oxygen concentrator machine to oxygen tanks until power is restored.

We cross our fingers for a decent, easy going, and safe winter!

Throwback!

This beautiful display was created by our talented staff and residents in 2020. They made poppies with tissue paper and pinned them on a dress.

We're delighted to extend a warm welcome to our newest residents — **Dean Cousens** and **Roger & Darlene Plowman**! We're so glad you've joined our community and can't wait for you to experience all that Rotary Villas has to offer. Be sure to say hello and help us make them feel right at home!

40's Now Open

To accommodate our growing community, the full dining room is now open! Feel free to sit at any table.

A friendly reminder that all outside tables along the hallway are raised so that they are wheelchair-friendly.
