The Retirement Lifestyle You Deserve

April 2026

A Note from The Wellness Department

April brings a sense of renewal as we begin to welcome longer days and the gentle shift into spring. It's a time to refresh our routines, enjoy lighter moments, and stay connected through shared experiences. Whether it's taking part in a favourite activity, trying something new, or simply enjoying a visit and conversation, this season invites us to feel a little more energized and engaged.

We'll be kicking off the month with a fun-filled **Western Week** as part of Winter Fair celebrations, bringing a little extra spirit and laughter to our days. Throughout April, we're also looking forward to a wonderful mix of entertainment, with both familiar faces and new performers joining us. There will be opportunities for intergenerational connection with visits from the **Girl Guides**, along with learning experiences such as a driving refresher course and an empowering independence seminar. We are also proud to recognize resident **Sylvia Barr**, who has been nominated for a Women of Distinction award. We hope you'll join us as we enjoy all that this month has to offer.

Long-Term Service Awards

We proudly recognized our team members for their Long-Term Service Awards at our March Town Hall. This is the first time we've held this recognition, so while some staff received 5- and 10-year awards, many of them have actually been part of the Rotary Villas family even longer.

Thank you for your commitment, hard work, and the care you show our residents everyday. We're grateful to have a such a wonderful team!
