Our Egg-citing Chick Hatching Adventure

This spring, Rotary Villas brought a little bit of farm life indoors with our chick hatching adventure!

On March 24, 40 eggs were carefully placed in the incubator, and the excitement began. After weeks of anticipation, the first tiny “pip” appeared around 4:00 p.m. on April 14—our first sign that hatching was underway. In the early hours of April 15, at 2:32 a.m., we welcomed our very first chick!

Residents had the special opportunity to witness this incredible glimpse of nature up close, sharing in the wonder and excitement each step of the way. In the end, we were delighted to have four chicks hatch successfully.

A memorable experience that brought smiles, curiosity, and a little taste of farm life right here at Rotary Villas!

Winner of closest guess to the first hatch date & time: Gerald Kirkland

A big thank you to Betty McFarland's son, Richard, for providing us with this opportunity!

What is Funny Money?!

Attend any purple program on the activity calendar this month to collect funny money.

What is funny money?

Funny money is awarded to residents that participate in selected programs throughout designated months. Then, we host a bi-annual auction where residents can use this money to bid on fun prizes!

The next auction will be held in June!

A Note from The Wellness

Department

May invites us to step outside, get moving, and enjoy the fresh energy that comes with the changing season. As the weather warms, many residents are already taking advantage of the opportunity to walk, gather, and spend time outdoors. Gardens are beginning to come to life, with plots claimed and hands back in the soil, marking a welcome return to the simple pleasures of spring. This month, our focus is on staying active, enjoying fresh air, and making the most of the season together. We will also be moving our morning coffee time to the common room, where we can enjoy the sunlight and a variety of optional activities to start the day.

We're carrying forward the positive momentum from April, where we enjoyed caring for our chicks and shared a wonderful day of fun, friendship, and friendly competition at our shuffleboard tournament.

In May, we look forward to a variety of activities including outings to a vintage car show and a museum visit, as well as a special tea in honour of our ladies for Mother's Day. We are also grateful to Larry Walker for building and donating a sturdy ladder ball game for all to enjoy. To close out the month, we will be raising awareness and funds for Alzheimer's with a poker derby.

As always, we kindly ask that decorating and undecorating be left to the Wellness Department.

Due to the war in Iran and the impending shortage of helium, we are going to be switching to air filled balloons for upcoming birthdays.

We hope to see you out and about this May.

Hylin & Bev

Please join us in warmly welcoming our newest residents: Barb Olmstead, Caren Norris, June Ferrier, Delia Milne, and Mable Anderson. We're so happy to have you here and look forward to getting to know you—welcome to the community!
