What an incredible way to kick off the second half of summer! Our July Carnival was a tremendous success, bringing together residents, staff, families and friends for an afternoon filled with laughter, games, delicious treats and wonderful memories. A heartfelt thank you goes to our amazing United Way Summer Students and our dedicated Rotarians who generously volunteered their time and energy. Your enthusiasm helped make the day so special—we truly couldn't have done it without you!

One of the things that makes Rotary Villas such a special place is the sense of community we continue to build together. Every smile in the hallway, every game played, every shared cup of coffee and every new face welcomed reminds us that community isn't something we have—it's something we create together. August brings another full calendar of opportunities to connect, move, laugh and learn. We are especially excited about our Thursday intergenerational programs with the United Way Summer Students. These visits have become a highlight of the week as residents and students spend time learning from one another, sharing stories, playing games, creating together and building friendships across generations. The joy these visits bring reminds us that while our ages may be different, we all have something valuable to teach and something new to learn. Looking ahead, we also invite everyone to participate in our upcoming Terry Fox Walk as we join Canadians from coast to coast in raising funds for cancer research. Terry's message of hope, perseverance and community continues to inspire generations, and we're proud to support this meaningful cause together. As summer begins to wind down, we're not slowing down! Be sure to join us for our Garden Party Tea on August 28, and our Intergenerational Dance on August 27th. It's the perfect opportunity to celebrate the friendships we've made, enjoy great music and dancing, and make a few more wonderful summer memories together.
